What is Nevada Check Up?

The state of Nevada Children's Health Insurance Program (CHIP) known as "Nevada Check Up" is a federal and state funded program that provides low-cost health care coverage to uninsured children from birth through 18 years of age who meet the program guidelines.

What health services are covered?

Most medically necessary services are covered. Nevada Check Up offers comprehensive medical, dental and medical vision care for children.

What are the eligibility qualifications for Nevada Check Up?

2012

Number of People in Household	200% FPL Max Income Level
2	$30,260
3	$38,180

- Have no other health care coverage or had insurance in the last six months
- Not be covered by or have access to the Public Employee Benefits Program (PEBP)
- Be a citizen of the United States or a Lawful Permanent Resident (LPR) for five years
  - Please note that applying for Nevada Check Up will not affect your family's immigration status
- Meet federal income guidelines (be within 200% of the Federal Poverty Level)
  - Applicants that currently exceed the listed 200% FPL may still qualify for our program in the future as the Federal Poverty Levels can change
- Be younger than 18 years and 11 months at the time of the application

What about premium payments?

The only cost for Nevada Check Up is a quarterly premium which is determined by family size and income. The premium is charged per family, not per child. Below is a chart which shows the premium amount associated with the Federal Poverty Level (FPL). For American Indian families who are members of federally recognized tribes, or an Eskimo, Aleut or other Alaska Native enrolled by the Secretary of the Interior, quarterly premiums are waived when proof of status (copy of the tribal affiliation card) is provided.

Premium	FPL
$25	From 36% up to 150%
$50	From 151% up to 175%
$80	At or above 176%

Families are informed of their premium amount once they are enrolled. If families are enrolled during a quarter premiums will be prorated. If your child(ren) were previously on NCU and have an existing unpaid premium balance, children will not be enrolled until payment is received. Payment arrangements can be made which would not exceed 60 days.

Note - Failure to pay premiums will result in disenrollment
